LESS THE INNOCENT

Accompanying the release of her second monograph, *Evidence*, Mona Kuhn's new series features female and male subjects in ambiguously suggestive poses, that, despite the nakedness, leave much to the imagination. **April 21–May 26.** At M+B gallery, 612 N. Almont Dr., L.A. Tues.–Sat., 10AM–5PM. 310.550.0050 or www.mbfala.com.
